

# Field Sales Representative – Self Employed

**Employing Company:** Orbit Energy Limited  
**Job Title:** Field Sales Representative – Self Employed

## 1. Overview

We develop great products and technologies that simply 'work' for our customers reducing the time, energy and thought needed to manage household energy; meaning our customers can get on with their lives.

You will be joining an ambitious energy company that is a distributive and forward-thinking team of energy experts who want to become true digital leaders within the energy supply market.

Our company moto is: 'We think energy, so you don't have to'.

## 2. What you'll be doing

You'll be:

- Knocking on doors in your territory to acquire new customers
- Providing potential customers with Orbit Energy products
- Being an ambassador for Orbit Energy
- Networking for referrals
- Maintaining knowledge of industry product and services.

## 3. What we're looking for

- Target driven
- Excellent communication skills
- Ambitious individuals with the will to learn
- Money motivated with a strong work ethic.

## 4. What we'll give you

- Uncapped Commission
- OTE £48,000 with potential to earn much more
- Weekly Pay
- Full Uniform
- Full Training and ongoing support
- Part- and full-time positions available
